

 Gilson College - Mernda community fosters a positive learning culture where respectful, responsible and resilient relationships promote excellence in a Christian environment.								
We are learning to:	Everywhere and always (Including the community)	Learning Areas	Lockers	Canteen	Toilets	Outdoor areas	Technology	Senior Common Room
Be Respectful	I use my manners I follow instructions I am inclusive I use appropriate language, tone and volume when speaking	I raise my hand before speaking I listen attentively I share the activities/space	I am careful with others and their property I wait my turn I move away from lockers in a timely manner	I consider others around me	I respect others privacy	I take care of equipment and resources	I use my own devices. I communicate positively with others. I keep personal details private	I only touch my own items I am a person of integrity I keep noise levels at an appropriate level
Be Responsible	I own my actions and words I care for others and the environment I tell an adult if something is unsafe I take pride in my school and uphold the values of the College	I bring correct materials including my completed homework I am punctual	I keep my locker clean and tidy I keep my locker locked and my combination code private	I visit the canteen only when purchasing	I use the facilities appropriately (flush, use bins). I use the toilet during break time	I put rubbish in the bin I stay in the correct areas	I report any problems to staff I am cyber safe and follow the rules and guidelines of the Acceptable Use Agreement	I look after the furniture I report anything unsafe I leave it tidier than I found it
Be Resilient	I am positive and flexible I accept consequences I apologise, forgive and move on I manage my emotions	I encourage and support others	I am patient and efficient at change over	I accept that things change	I speak up if something makes me uncomfortable	I display good sportsmanship	I try to find a solution when technology does not seem to work.	I talk out my concerns
Be a learner	I problem solve and ask for assistance if needed I maintain a positive growth mindset I choose appropriate activities and games I persevere	I ask questions I do my best	I plan ahead for my classes and my learning	I make healthy choices	I go back to class or play straight away I take care to conserve resources	I choose appropriate activities	I use technology to learn and discover new ideas	I use my time wisely
